# FILLER

- The filler is an internal panel that hides the drawer slide and adds thickness, allowing the drawer to open easily without touching the closet frame.

# DRAWER SLIDE

This advanced full-extension drawer runner system delivers smooth, silent, and stable performance for a premium user experience. Engineered for modern cabinetry and furniture applications, it combines convenience, durability, and seamless motion in a concealed design—making it ideal for both residential and commercial interiors.

 Smooth     Silent

 Full-Extension

# MULTI TROUSER HANGER

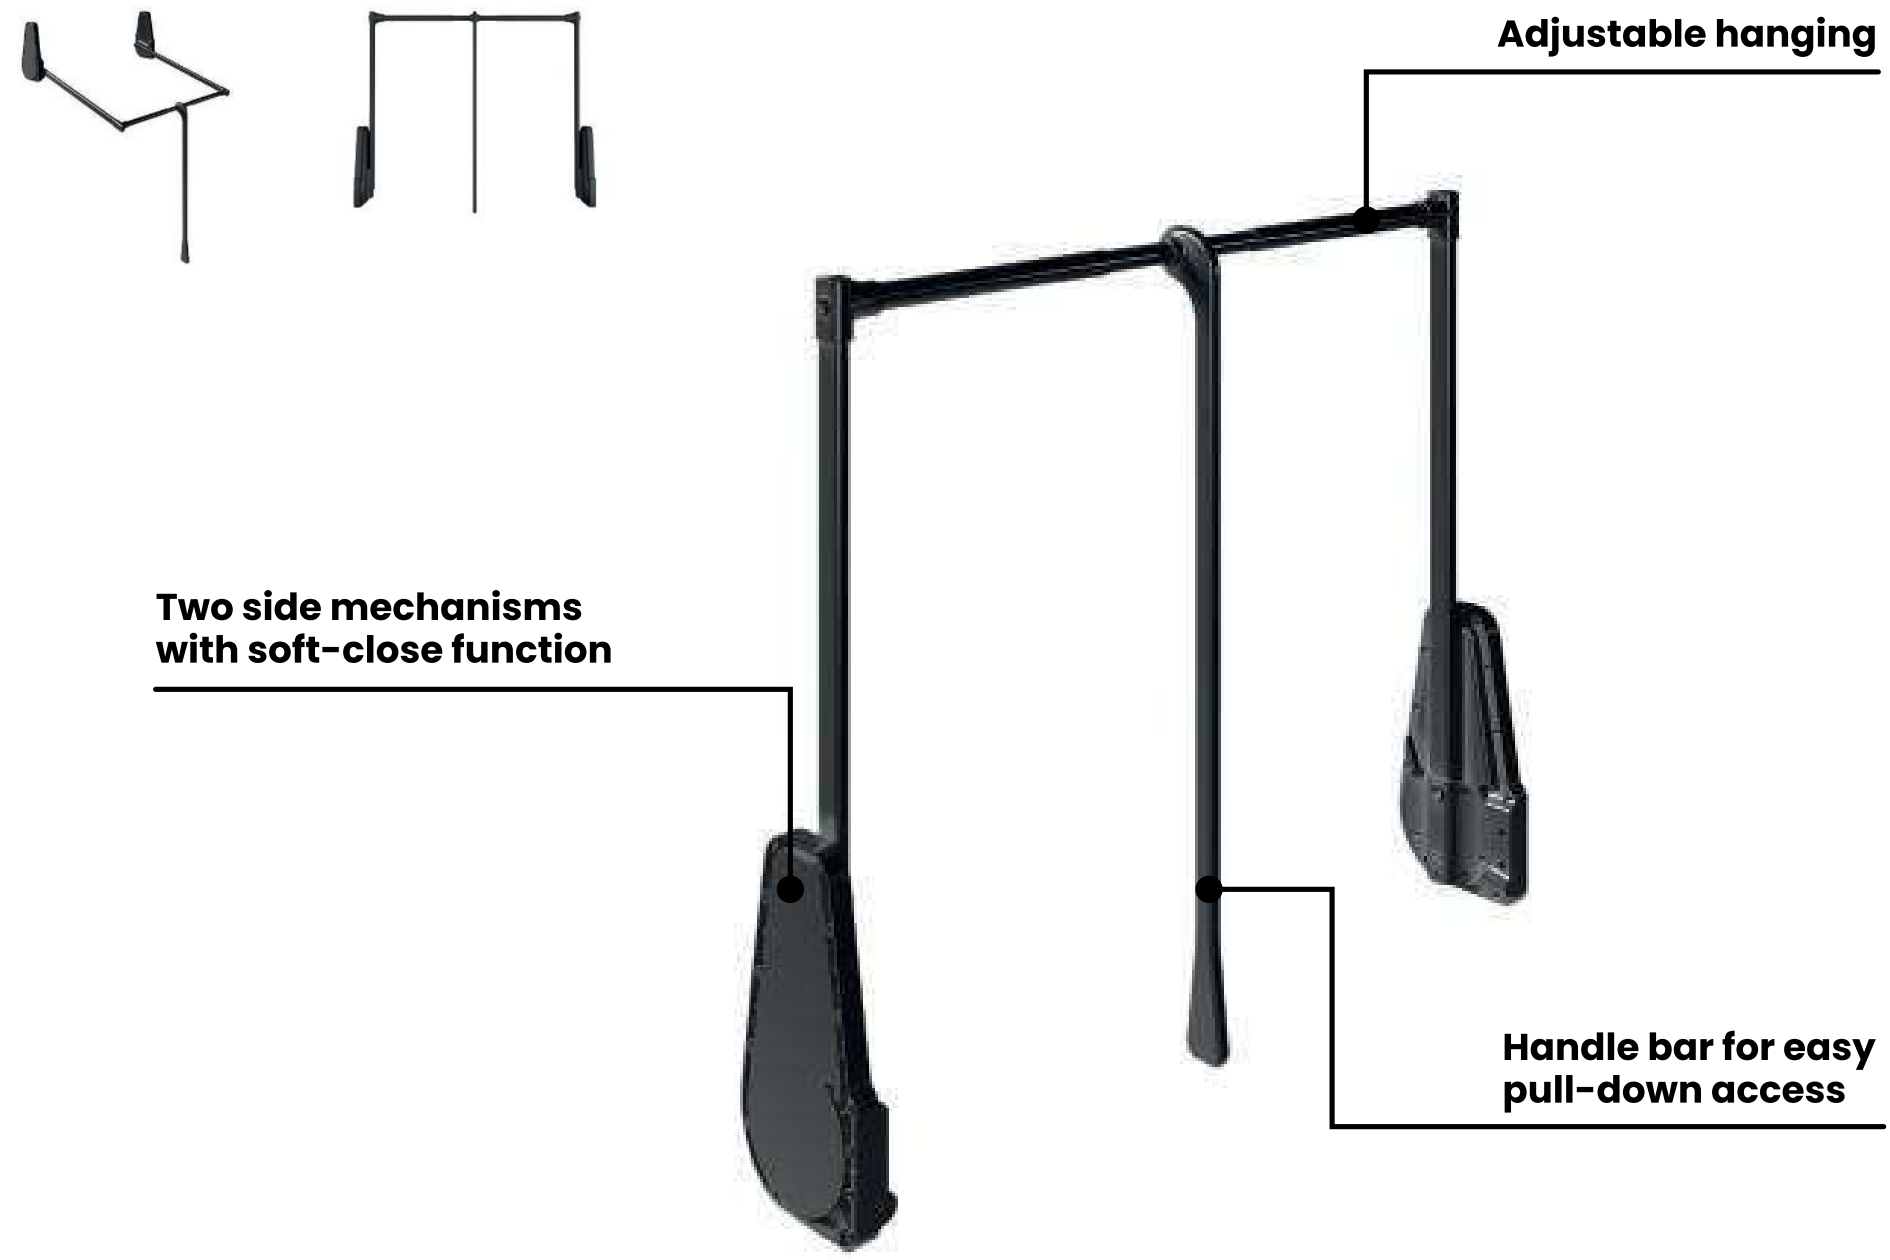

- A pull-out pants holder fixed to the top of the shelf using a slide mechanism. It features multiple hanging rods on both sides, providing organized storage and easy access to pants.

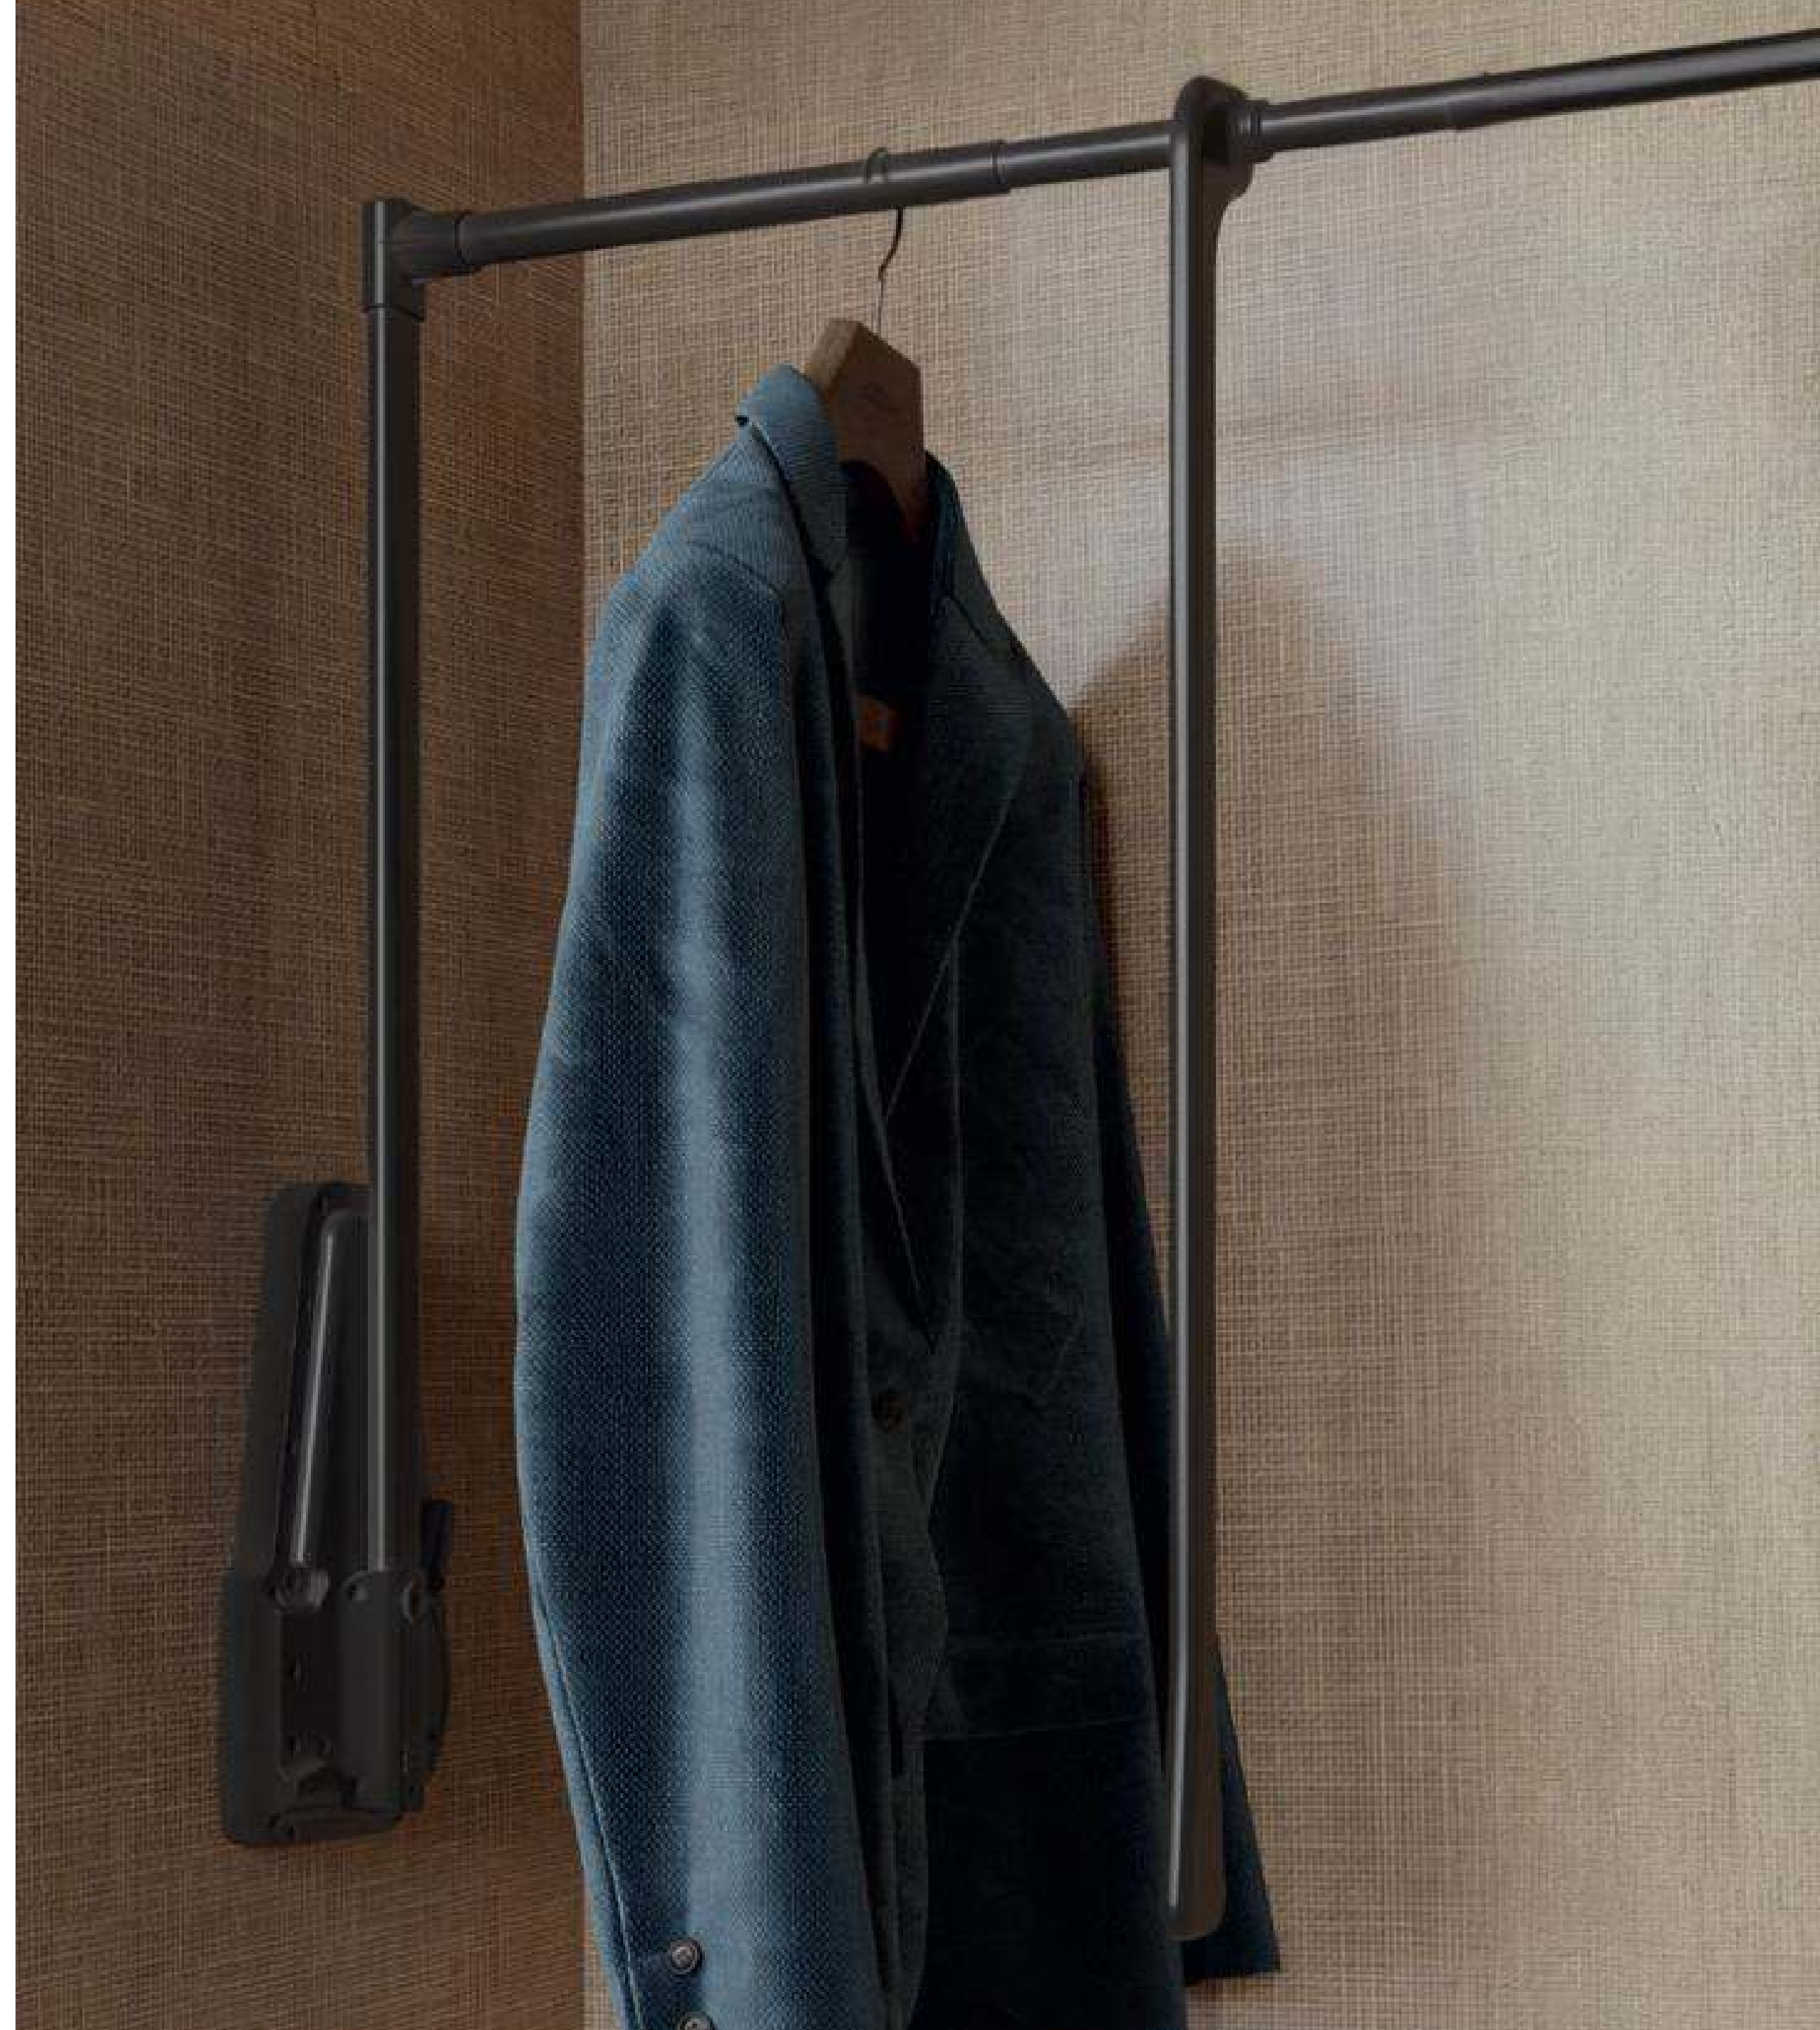

# WARDROBE LIFT

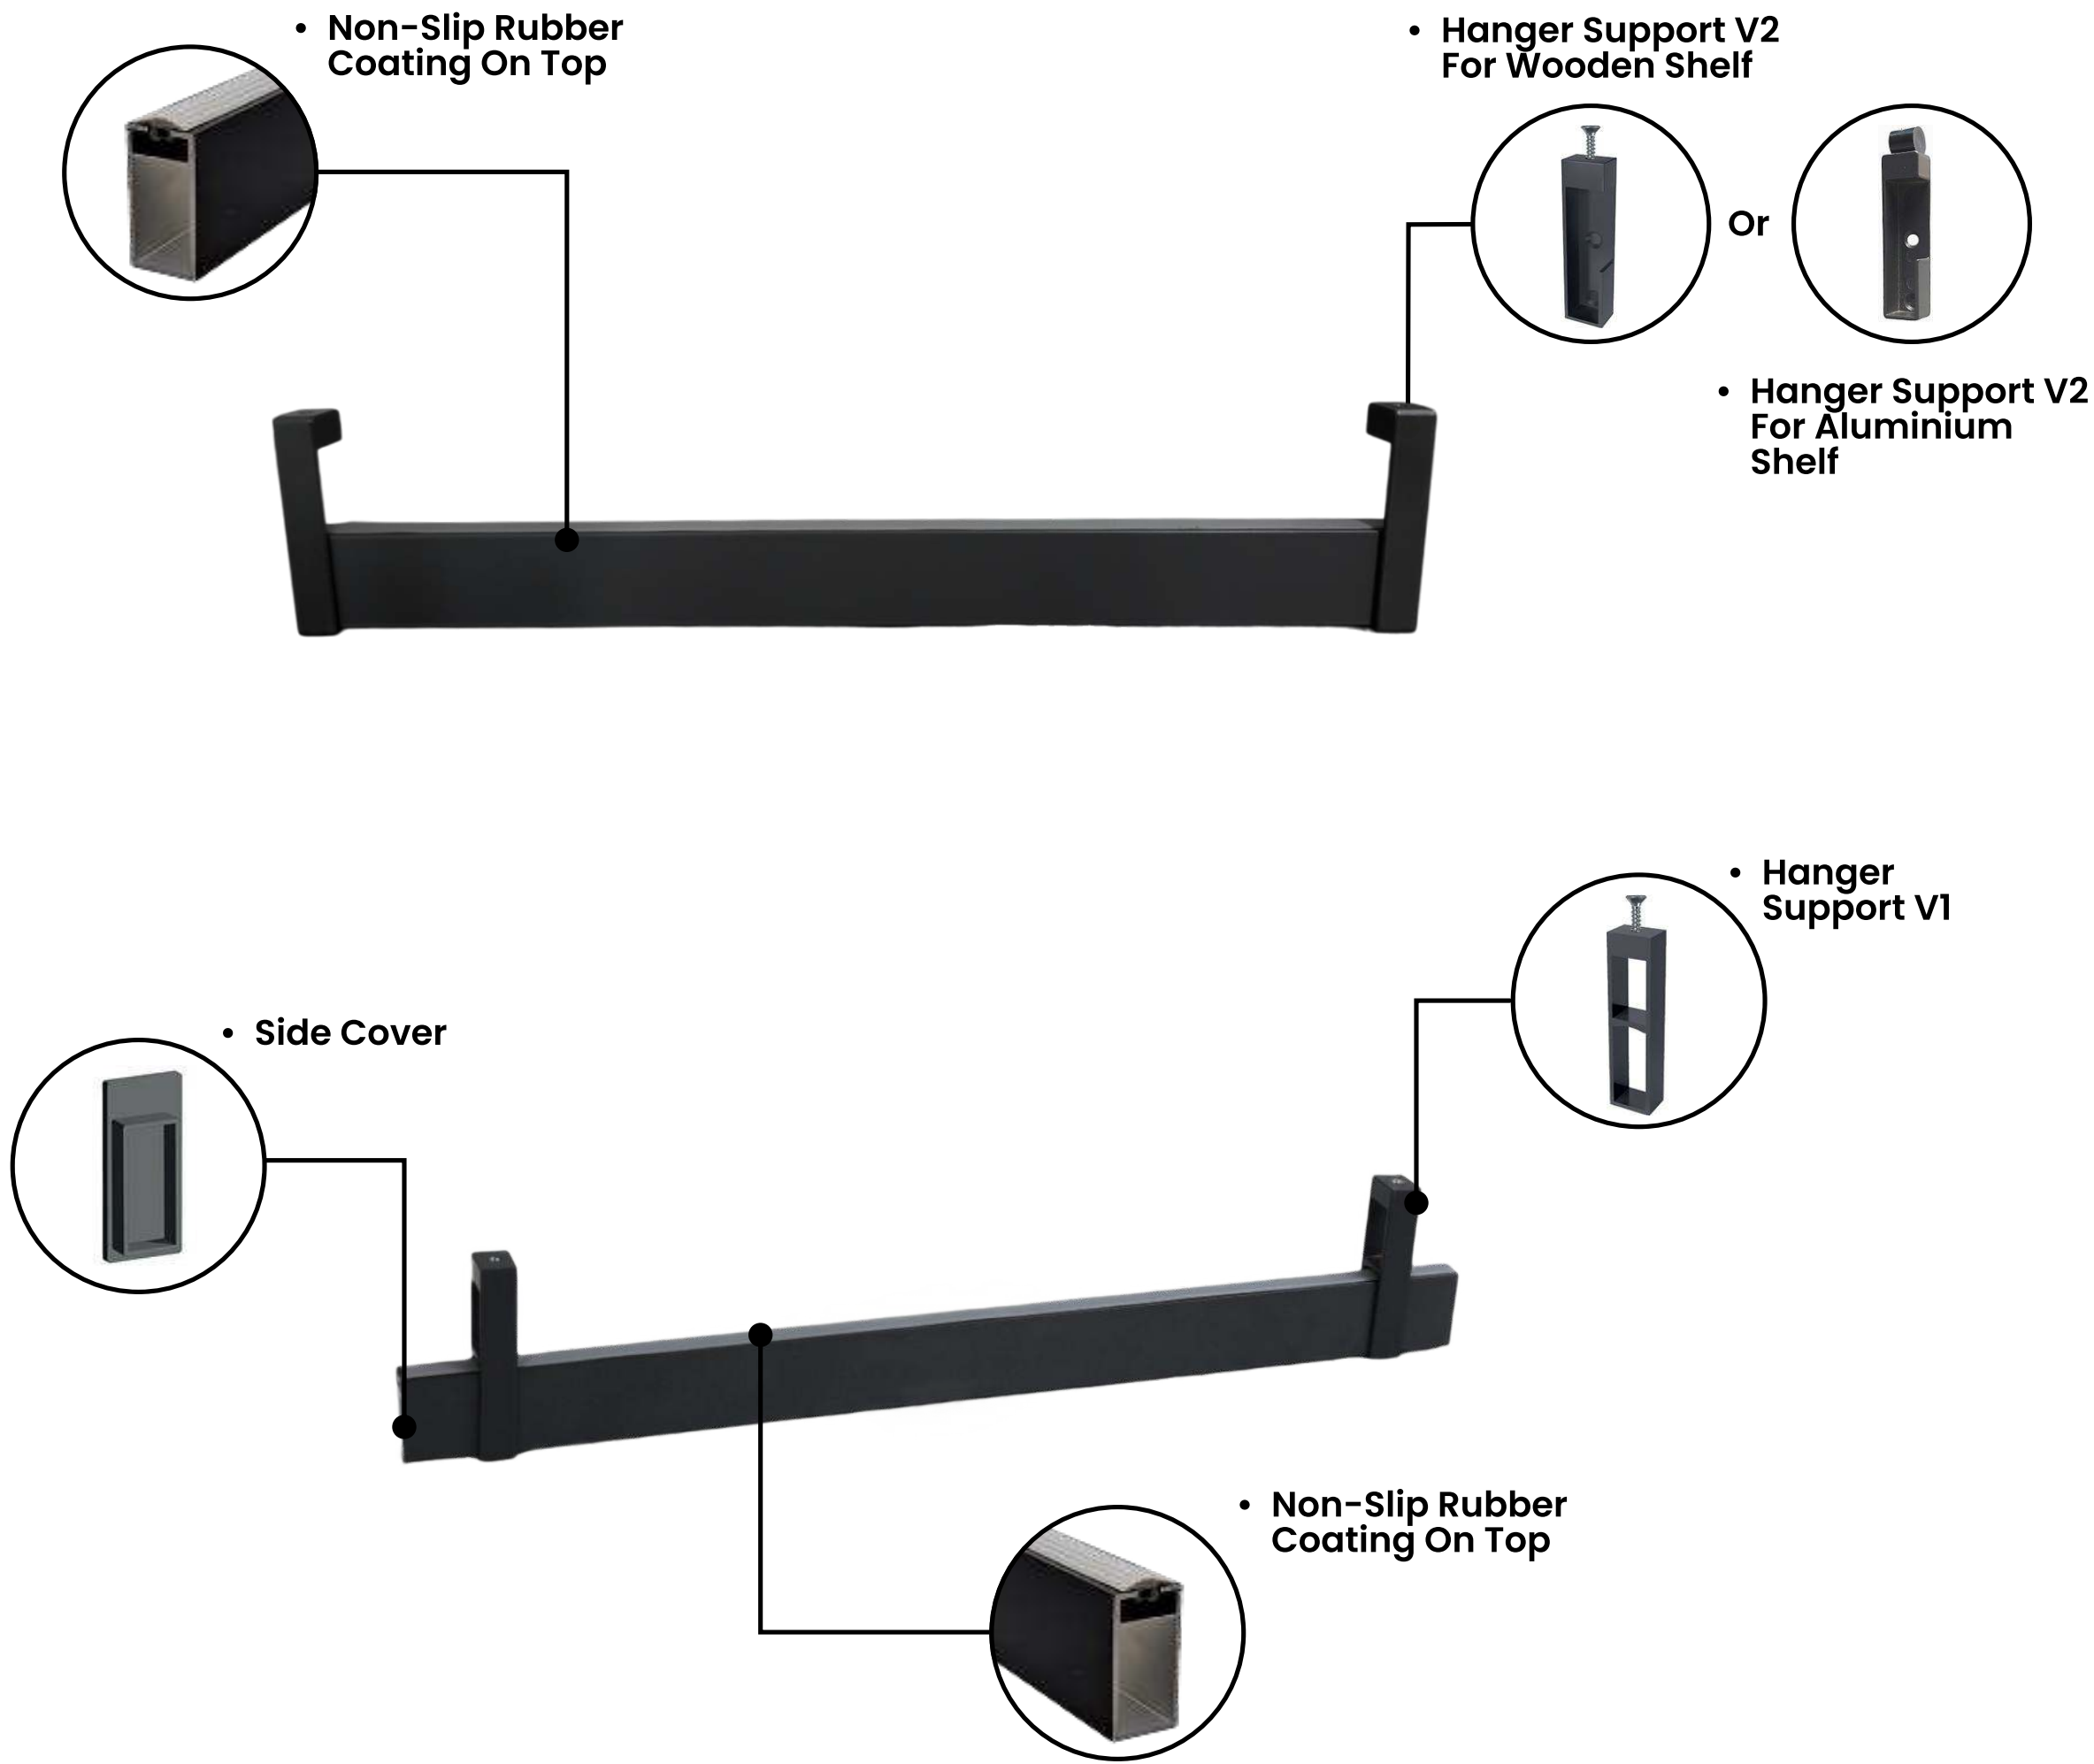

- Adjustable hanging rod: The central rod is telescopic and can be extended from 764 mm to 1150 mm. It can also be cut to fit spaces smaller than 764 mm.
