COMPANY - AZIENDA

Cosmov offers customers a complete service in terms of supply of the zinc alloy die-cast components for high- end. The supply is divided into an integrated cycle that, according to the specifications of the customer's product, involves the design and construction of the mould, the planning and implementation of the manufacturing and quality assurance processes, delivery according to just in programs time and post-sales support. The key element of the high quality standard is in the mastery of the design process, the mould construction and maintenance, and in thirty years of experience in die casting in zamak and work man ship and related treatments.

Cosmov offre al cliente un servizio completo per quanto riguarda la fornitura dei componenti pressofusi in zama di fascia alta. La fornitura si articola in un ciclo integrato che, in base alle specifiche di prodotto del cliente, prevede la progettazione e la costruzione dello stampo, la pianificazione e la realizzazione dei processi di fabbricazione e di assicurazione qualità, la consegna secondo programmi just-in-time e l'assistenza post-vendita. L'elemento chiave dell'alto standard qualitativo è nella padronanza del processo di progettazione, costruzione e mantenimento dello stampo e nella trentennale esperienza nella pressofusione in zama e nelle lavorazioni e nei trattamenti collegati.

VISION - VISIONE

Cosmov, through an action of investment and renewal - organisationally and on that business plan - intends to grasp the broader market opportunities and grow the world leader for the supply of zinc-alloy die-cast components. The experience that has developed from the settlement of briosco wants to be the focal point for the emergence of additional winning reality in other parts of the world.

Cosmov, attraverso una determinata azione di investimenti e rinnovamento sul piano - organizzativo e su quello industriale - intende cogliere le più ampie opportunità offerte dal mercato e crescere al ruolo di leader mondiale per la fornitura di componenti pressofusi in zama. L'esperienza che si è sviluppata dall'insediamento di Briosco vuole essere il fulcro per la nascita di addizionali realtà vincenti in altre parti del mondo.

VALUES - FILOSOFIA

Cosmov recognizes in the techniques and skills in teamwork the key to success. We are aware that the changing nature of customer expectations and market uncertainty are constant in the context in which we operate. For this reason we believe that an open attitude to change and the ability to anticipate new needs are fundamental pre-requisites for the challenges that lie ahead. Innovation to achieve our vision of the future and continuity with the values which we inherited from our past are the foundations by which we want to involve all company protagonists.

Cosmov riconosce nelle competenze tecniche e nel lavoro di squadra la chiave del successo dell'azienda. Siamo consapevoli che la mutevolezza delle aspettative del cliente e l'incertezza del mercato sono costanti nel contesto in cui operiamo. Per questo motivo riteniamo che un atteggiamento aperto al cambiamento e la capacità di anticipare i nuovi bisogni siano i pre-requisiti fondamentali per affrontare le sfide che ci attendono. Innovazione per conseguire la nostra visione del futuro e continuità con i valori che ereditiamo dal nostro passato sono i capisaldi attraverso i quali desideriamo coinvolgere tutti i protagonisti dell'impresa.
