**Dal 1959 progettiamo soluzioni intelligenti per organizzare lo spazio in cucina.** Siamo specializzati nell'ottimizzazione di basi, colonne armadio, angoli e boiserie, con sistemi evoluti pensati per migliorare funzionalità e design.

**Qualità, design italiano e innovazione sono il cuore del nostro lavoro.**

Collaboriamo con designer per sviluppare idee originali, che si integrano con il nostro know-how tecnico e produttivo. Questo ci permette di anticipare le richieste del mercato e offrire prodotti sempre attuali.

**Ogni collezione è il risultato di un attento lavoro di ricerca e sviluppo.**

Copriamo tutte le fasce di mercato media, medio-alta e alta con soluzioni che bilanciano perfettamente estetica, funzionalità e rapporto qualità-prezzo.

**I nostri progetti uniscono versatilità, eleganza e prestazioni.**

Realizziamo oggetti flessibili, trasversali, facili da integrare in diversi stili e spazi. Funzionali ma anche emozionali, pensati per migliorare la vita quotidiana.

**Accessori di alta qualità e attenzione ai dettagli completano le nostre proposte.**

Ogni innovazione nasce dall'ascolto continuo dei nostri clienti: tra questi, i principali brand italiani del mondo cucina, con cui costruiamo ogni giorno il futuro dell'abitare.

**Azienda Certificata DNV ISO 9001:2015**

**Since 1959, we've been designing smart solutions to optimize kitchen space.**

We specialize in the organization of base units, tall cabinets, corners, and boiserie, with advanced systems that enhance both functionality and design.

**Quality, Italian design, and innovation are at the core of everything we do.**

We collaborate with designers to develop original ideas that merge seamlessly with our technical and manufacturing expertise. This allows us to anticipate market needs and deliver products that are always up to date.

**Each collection is the result of in-depth research and development.**

We cater to all market segments mid-range, upper-mid, and high-end offering solutions that strike the right balance between aesthetics, performance, and value.

**Our designs combine versatility, elegance, and functionality.**

We create flexible, cross-functional pieces that integrate effortlessly into various styles and spaces. Functional yet emotionally engaging, they are made to enhance everyday living.

**Premium accessories and attention to detail complete our offering.**

Every innovation stems from constant collaboration with our clients including some of the most prestigious names in the Italian kitchen industry who help us shape the future of living spaces.

# Storage Ideas

Dalla collaborazione con i designers scaturiscono idee originali che si fondono con le competenze tecniche e produttive di lemi ed innovano i paradigmi degli oggetti che abitano gli ambienti cucina.

Lemi sviluppa, in questo modo, progetti che portano alla realizzazione di oggetti caratterizzati da un'elevata versatilità funzionale, emozionalmente appaganti, formalmente puliti, flessibili e trasversali negli elementi e nelle finiture.

*From the collaboration with designers arise original ideas that blend with the technical and manufacturing expertise of lemi and innovate paradigms of objects that inhabit the kitchens.*

*Lemi develops, in this way, projects that lead to the realization of objects characterized by high functional versatility, emotionally satisfying, formally clean, flexible and transversal in the elements and in the finishes.*
